

ASD Autism Spectrum Disorders

TouchPoint Autism Services

through a grant from Lutheran Foundation of St. Louis,
is offering a

FREE 2-part workshop at

St. Johns United Church of Christ in South County
on February 1 and 8, 2010 from 7:00 p.m. – 8:30 p.m.

All are welcome to attend this informative workshop that will offer valuable insight into Autism Spectrum Disorders (ASD). The **1st night** will focus on defining the autism spectrum and its characteristics; the **2nd night** will concentrate on principles, strategies and supports for children on the autism spectrum.

This is an ideal opportunity for parents, grandparents, teachers, extended family, Sunday school teachers, and others who interact with children to gain important information about ASD.

Register by ~~January 28th~~
